INTRODUCTION

The Passaic City Community Directory was developed in collaboration with the Passaic City Coalition, Passaic City Department of Human Services, Passaic City Health Department, and the Passaic City Community Directory Steering Committee. This collaborative effort was initiated from a needs assessment that identified a need to unify and consolidate the various organizations and services that are available to residents of Passaic City in an effort prevent youth drug use. When we empower community members like schools, religious leaders, local non-profits, health professionals among others with the appropriate tools to assist and inform Passaic City families of the local resources available to them then we contribute to the continued growth of a healthy community.

El Directorio de la comunidad de la Ciudad de Passaic se desarrolló en colaboración con la Coalición de la Ciudad de Passaic, el Departamento de Servicios Humanos de la Ciudad de Passaic, el Departamento de Salud de la Ciudad de Passaic y el Comité Directivo del Directorio de la Comunidad de la Ciudad de Passaic. Este esfuerzo de colaboración se inició a partir de una evaluación de necesidades que identificó la necesidad de unificar y consolidar las diversas organizaciones y servicios que están disponibles para los residentes de la Ciudad de Passaic en un esfuerzo por prevenir el uso de drogas entre los jóvenes. Cuando capacitamos a los miembros de la comunidad como escuelas, líderes religiosos, organizaciones sin fines de lucro locales, profesionales de la salud y más con las herramientas apropiadas para ayudar e informar a las familias de la ciudad de Passaic sobre los recursos locales disponibles para ellos, contribuimos al crecimiento continuo de una comunidad saludable.
