I'm feeling stressed about the novel coronavirus and would like to talk with a mental health professional, Who can I call?

The NJ Department of Human Services operates a toll free “warm line” which is a resource for people seeking mental health service. The warm line is activated during events that impact the mental health of New Jersey residents.

The warm line is available 24 hours and has language access.

(877) 294-HELP (4357)

Mental Health Hotline: 866-202-4357

NJ Hopeline: (855) 654-6735 (Peer Support & Suicide Prevention Hotline)

NJVET2VET: (866) 838-7654

NOTE: The “warm line” does not replace 911 and is not used to report emergencies.
