Comments: We are excited that you decided to join our list of Passaic Silver Seniors who share in the transportation services and Senior Center activities provided by the City of Passaic.

Attached is a Membership Application that must be completed in it's entirety. Also, please provide us a **list of your medications and photo ID. You may need to provide proof of residency if the address on application and photo id do not match.**

Additionally, the Passaic County Nutrition Services provides daily meals. You can pick up an application from the Nutrition Site Manager when you come into the Center.

Per the County, there is a \$2.00 suggested donation per trip for Transportation services.

Please mail, fax or deliver the application package back to the center.

Feel free to call if you have questions.

Thank you,

*Francine Wise*
